

Alliant Energy Center Area Plans

South Madison Plan 2005

City of Madison

<http://www.cityofmadison.com/planning/ndp/documents/SMadisonFinalCompletePlan1-10.pdf>

The South Madison Plan was developed to strategically position the area for the future by analyzing areas ready for redevelopment and maintaining the areas assets. 5-10 year plan.

Bay Creek Neighborhood Plan 1991

City of Madison

<http://www.cityofmadison.com/planning/ndp/baycreek.pdf>

The Bay Creek Neighborhood Plan was developed to analyze and make recommendations for improvements to the residential areas, the commercial nodes, park and recreation resources, traffic and safety improvements and developing strategies for elderly needs. No set timeline - many projects already completed.
